Hi Christopher,

As always we assume that we are on call and once you get a jury and have an idea of time we will be needed notify us. Also, I know for myself and Kate that we both need to be back to the lab by 2:30 pm, however Kate isn't in today and I am not sure of any other court commitments she may have.

Hello Kate, Nicole, and Annie,

I wanted to check on your availability for tomorrow's trials (10/5). Obviously only one of these *could* go and I'm not sure either one of them *will* go, but I just wanted to see where we stood on these two Chelsea cases. In reality, I don't think either one will go, but just want to be sure we're ready in case it does.

Can you all just get back to me and let me know?

Thanks a lot – I appreciate it!

Chris
